Security Certified Program Creates Key Partnership with Integrated Digital Technologies Corp.

April 13, 2007 – Geneva, Illinois – Security Certified Program (SCP), LLC announced today that they have established a training partnership with Integrated Digital Technologies Corp, dba IDT. IDT will provide official SCP courses to students in the Pasadena, California area.

Mark Patrick, VP of Sales and Marketing states, “It is critical in today’s market that IT personnel are equipped with the knowledge and hands-on skills to implement strong computer and network security policies. SCP is please to announce that IDT meets the requirements of the SCP Authorized Training Partner program and will offer quality hands-on training to IT administrators in their region.”
