Security Certified Program Creates Key Partnership with Mid-America Technology Center

December 11, 2007 – Geneva, Illinois – Security Certified Program (SCP), LLC announced today that they have established a training partnership with Mid-America Technology Center. Mid-America Technology Center will provide official SCP courses to students in the Wayne, Oklahoma area.

Mark Patrick, VP of Sales and Marketing states, “It is critical in today’s market that IT personnel are equipped with the knowledge and hands-on skills to implement strong computer and network security policies. SCP is pleased to announce that Mid-America Technology Center meets the requirements of the SCP Authorized Training Partner program and will offer quality hands-on training to IT administrators in their region.”
