Security Certified Program Creates Key Partnership with Great Plains Technology Center

January 23, 2008 – Geneva, Illinois – Security Certified Program (SCP), LLC announced today that they have established a training partnership with Great Plains Technology Center. Great Plains Technology Center will provide official SCP courses to students in the Lawton, Oklahoma area.

Mark Patrick, VP of Sales and Marketing states, “It is critical in today’s market that IT personnel are equipped with the knowledge and hands-on skills to implement strong computer and network security policies. SCP is pleased to announce that Great Plains Technology Center meets the requirements of the Security Certified Academic Program and will offer quality hands-on training to IT administrators in their region.”
